## Middle East and North Africa

### Syrian Arab Republic

**11 January 2022:** In Al-Hol town, Al-Hasakah district and governorate, ISIS members equipped with silenced weapons shot and killed a Kurdish Red Crescent paramedic after they managed to enter the service checkpoint of the camp with fake IDs. **Sources:** [SOHR](#) and [Twitter](#)

#### New Dataset

At least 14 aid workers were killed in Syria in 2021. Download this data on our [website](#) or on [HDX](#).

<sup>1</sup> The [Aid Worker Security Database](#) (AWSDB) does not include the names of individual victims or the agencies affected by an incident. This is done in consideration of the victims and their families who may not wish to have the names published in this format and to afford equal respect to the many victims for whom this information is not available.
