Documented incidents

21 March 2024: In Omdurman city, Khartoum state, a Ministry of Health staff member was killed and another injured during RSF artillery shelling. **Source: ACLED**[1]

24 March 2024: In Omdurman city, Khartoum state, the Ministry of Health Corpse Processing committee was hit by RSF artillery. The driver of the emergency vehicle belonging to the committee was killed. **Source: ACLED**[1]

As reported on 30 March 2024: In Dilling town, South Kordofan state, a doctor was reportedly shot and killed by RSF members after looting her house. **Source: ACLED**[1]

01 April 2024: In Kabkabiya district, North Darfur state, SAF airstrikes reportedly damaged a hospital, killing an unspecified number of people. **Source: ACLED**[1]

02 April 2024: In Zalingei town, Central Darfur state, the only functioning hospital in the city was attacked by the RSF. A patient who was being operated on was shot and surgical equipment stolen. **Source: Personal Communication**

This document comprises threats and violence as well as protests and other events affecting the delivery of and access to health care. It is part of the **Attacks on Health Care** project by **Insecurity Insight**. It is prepared from information available in local, national and international news outlets and online databases. The incidents reported are not a complete nor a representative list of all events that affected the provision of health care and have not been independently verified. All decisions made, on the basis of, or with consideration to, such information remains the responsibility of their respective organisations. This report is funded and supported by the Foreign, Commonwealth and Development Office (FCDO) of the UK government through the RIAH project at the Humanitarian and Conflict Response Institute at the University of Manchester, by the generous support of the American people through the United States Agency for International Development (USAID) and by the Tides Foundation. The opinions expressed in it do not reflect in any way the position of the UK government, USAID, the U.S. Government or the Tides Foundation who are not responsible for the content expressed in this document.
