

DRC Incident Monitoring Brief

September 2025

This brief provides details on examples of publicly-reported incidents impacting aid agency access and safety in the eastern DRC to keep aid organisations informed on evolving threats to civilians and aid access. It covers conflict incidents affecting aid operations, education, food and water systems, health care and protection, as well as conflict-related or political-related sexual violence and explosive weapons use. Please **get in touch** with us if you have any data-related inquiries. The full dataset is available upon request.

Documented incidents

The publicly-reported incidents below are not a complete nor a representative list of all incidents that affected aid agency access and safety between 01-30 September 2025. The incidents below have not been verified through ground investigations. There is a delay in reporting incidents due to our open source verification protocol.

Ituri

01 September 2025: In Lokpa area, Walendu-Pitsi Chiefdom, Djugu territory, three IDPs from Rhoo Camp were shot and killed by CODECO while searching for food.

27-28 September 2025: In Toba displacement site, Djugu territory, four people were killed and an unspecified number were injured when armed groups attacked, looted and partially burned the site during an attack on seven villages in the Nyampala and Jako Ndahura groups.

Haut-Uele

No incidents identified during the reporting period. Additional reports may emerge in the coming weeks and months.

Maniema

No incidents identified during the reporting period. Additional reports may emerge in the coming weeks and months.

North Kivu

02 September 2025: In Masisi territory, a 12-year-old and 14-year-old were raped after returning from the fields.

03 September 2025: In Vusamba area, Lubero territory, educational activities were suspended by residents due to Wazalendo in the area, who established a new base in a church compound.

14 September 2025: In Kebikeba district, Beni-Mbau sector, Beni territory, the La Grace Hospital was burned down by ADF. Medicines were looted from the pharmacy, three delivery tables were burned, and a vehicle was vandalised.

18 September 2025: In Mbutaba village, Beni territory, a health facility was damaged when the ADF attacked the area.

19 September 2025: In Walikale territory, seven women were raped and killed by M23 members.

29 September 2025: Near Piki town, Masisi territory, a health worker was shot and killed by unidentified individuals.

South Kivu

03 September 2025: In Kalehe territory, six women, including a student, were raped as they were returning from the field.

09 September 2025: In Kabare and Walungu territories, students and teachers attending schools were forcefully expelled by Wazalendo fighters, who threatened that anyone attending school would be executed, and their books would be burned.

26 September 2025: In Panzi district, Ibanda commune, Bukavu city and territory, a person was killed in front of a hospital by unidentified gunfire amid an attack on the area, involving looting.

Tanganyika

No incidents identified during the reporting period. Additional reports may emerge in the coming weeks and months.
