

DRC Incident Monitoring Brief

November 2025

This brief provides details on publicly reported incidents impacting aid agency access and safety in the Eastern DRC to keep aid organisations informed on evolving threats to civilians and aid access. It covers conflict incidents affecting aid operations, education, food and water systems, health care and protection, as well as conflict-related or political-related sexual violence and explosive weapons use.

Documented incidents

The publicly-reported incidents below are not a complete nor a representative list of all incidents that affected aid agency access and safety between 01-30 November 2025. The incidents below have not been verified through ground investigations. There is a delay in reporting incidents due to our open source verification protocol.

Ituri

02 November 2025: In Djugu territory, a woman was raped by a FARDC soldier in her home. The soldier was arrested.

07 November 2025: In Kigonze IPD camp, Bunia territory, an individual from an armed group was arrested by FARDC after taking refuge among the displaced population, using residents as human shields. In response, other residents set fire to some shelters and shops, claiming the arrest was arbitrary. Subsequently, FARDC reinforced security measures around the camp.

15 November 2025: In Kigonze IDP Camp, Bunia territory, 43 displaced people, including eight children and three women, were arrested from the site during an FARDC search operation, following the arrest of a suspected CRP militiaman who was caught inside the camp.

30 November 2025: In Mambasa territory, a young woman was raped by three unidentified armed men.

Haut-Uele

No incidents identified during the reporting period. Additional reports may emerge in the coming weeks and months.

Maniema

No incidents identified during the reporting period. Additional reports may emerge in the coming weeks and months.

North Kivu

06-07 November 2025: In Kibirizi village, Rutshuru territory, a NGO guest house was entered by armed men overnight, who stole a laptop and phones, and threatened staff. The NGO was supporting nutritional programmes in the Kibirizi health zone for under five-year-olds.

09 November 2025: In Mweso city, Masisi territory, around 12 humanitarian workers from various unspecified organisations were arrested by M23 soldiers for reportedly missing a meeting of the M23/AFC. They were released the same day.

14-15 November 2025: In Byambwe town, Lubero territory, the Byambwe Reference Health Centre was attacked by ADF overnight, killing 23 patients and looting medicines and equipment. Two health workers were also reportedly abducted. Parts of the facility were set on fire, leaving it inoperable.

15 November 2025: In Kazinga village, Masisi territory, a medical facility was looted by M23 fighters after seizing control of the village.

27 November 2025: In Walikale territory, an 18-year-old girl was raped by a Wazalendo fighter from the APCLS group. The perpetrator was arrested.

20 November 2025: In Chambucha neighbourhood, Walikale territory, teachers were forced to suspend classes after Wazalendo forces demanded a security tax to access schools.

28-29 November 2025: In Beni city and territory, the UNICHR Hospital was stormed and partially taken over by armed men overnight.

South Kivu

06 November 2025: In Kasheke village, Kalehe territory, South Kivu province, three health workers from the General Reference Hospital were attacked and seriously injured by M23 rebels on accusations of treating Wazalendo fighters and their families.

15 November 2025: In Banyamulenge IDP Camp, Mikenge village, Itombwe group, Mwenga territory, the camp was shelled by a drone fired by an unidentified armed group.

20 November 2025: In Banyamulenge IDP Camp, Mikenge village, Itombwe group, Mwenga territory, the camp was hit by FARDC airstrikes using Sukhoi aircraft.

21 November 2025: In Walungu city and territory, part of the Walungu 2 Primary School was destroyed by shelling during fighting between the AFC-M23 coalition and Wazalendo fighters at night.

22 November 2025: In Katana town, Kabare territory, the Chahoboka Health Centre was attacked by M23 members when they raided the town. Four people, including two health workers and a patient, were taken outside and shot and killed.

23 November 2025: In Chateka village, Shabunda territory, the headmaster of a primary school was severely tortured by members of an armed group.

Tanganyika

Between 16-19 November 2025: In Kapangula commune, Kalemie city, the wife of a nurse of Kankomba Health Centre was shot and injured in their home by unidentified gunmen.
